## SOME RELATED COMMON QUESTIONS & GODLY COUNSEL

### **1. I know that I am in my calling but there are no fruits to show for this. What's wrong?**

- a) It could be due to your lack of adequate training. Make yourself available to be trained.
- b) It could be due to the phase of your calling. There may be days of little beginning. Job 8:7. Zechariah 4:10.

### **2. Called to do but no interest to do it; what's wrong?**

- a) Your lack of interest could be because you have not seen a breakthrough in that area.
- b) Not knowing how to do it can create loss of interest. You have to develop yourself in the area of your calling.
- c) The vision may not be clear. Pray until the vision is clear.

### **3. I'm called to do, but have no ability to do what I am called to do.**

- a) Ability requires to be trained up.

### **4. Others have prophesied on me a particular calling. How is that?**

There are two dimensions of prophecy;

- a) Prophecy touching on the promises of God concerning your blessing.
  - b) Prophecy touching on the plan of God for your life (concerning your calling); this kind of prophecy must be limited to or seen as- a confirmation of what God must have told you before or a confirmation to what God will eventually tell you or show you by Himself.
- Galatians 1:15-17- is about the calling
  - Galatians 2:1-2- is about the message.

The Calling is revealed in you. You are responsible for the Calling that God has placed in your life. When it comes to the message of the Gospel, you have got to consult with others that have gone before you to avoid error.

### **5. I know that I am simply caught up in a ministry I am not supposed to be doing. What do I do?**

God's plan for your life is only revealed to you on request by you. Keep pressing and seeking for the revelation of God's plan for your life.  
Jeremiah 29:11-13
